

15/03/21

Dear Parent/Carer(s),

### Home Testing

Your child has now had three COVID tests within school and will now start home testing. With this letter you will find a testing box which has seven separate tests within.

For the week beginning 15/03/21 could you please test your child on the Tuesday morning and Friday morning. As from week beginning the 22/03/21 could you then please test your child on Monday morning and Thursday morning.

### Completing the Test

Within your test pack there are instructions to help you with the testing process. We have also emailed a YouTube link which will support you and your child. Please ensure the test is completed in plenty of time for your child's taxi collection. If required please complete the test the evening before. Within the information you will be provided with instructions to interpret the test to determine whether your child is positive or negative.

### Recording results

Please note you should only register your results with NHS Test and Trace if your child has a positive test. We would kindly ask that parents register their results with the school no matter the outcome. A link for registering results online will be sent to your email address and will be available on the school home page. You should also contact school if your child tests positive – 01775 724080 / 07565 483105. If your child refuses or is unable to take the test please notify the school.

### Positive Test Result

If your child tests positive they will need to isolate and obtain a PCR test at either a testing site or by post. You should update the school once this test is booked and when you receive the results of this test. All members of the household will need to isolate in line with government guidance. When your child is due to return to school following their period of isolation, a member of school staff will contact you to discuss these arrangements.

### **Completing the Test**

Once used, your testing equipment should be disposed of in your general waste bin. We will ensure you continue to have enough supplies to test twice a week.

**Please note these tests can only be used for the child attending the Priory School and should not be used by another family member.**

Should you have any questions please contact the school.

Kind regards,

Mr Matthew Bloodworth-Flatt
