Please use this box to add any further comments you would like to make.

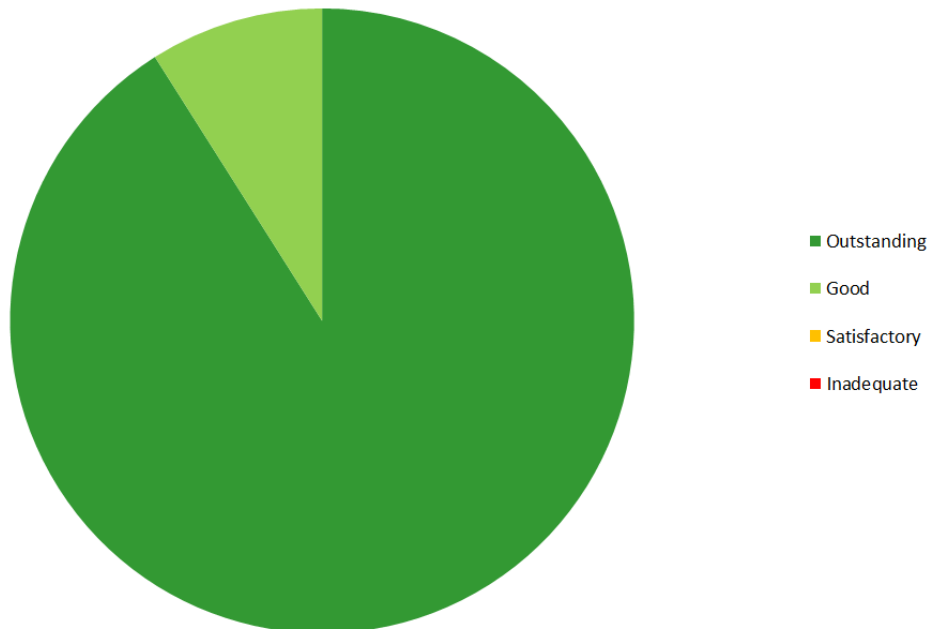

"a very happy and well run school"

"I'd like see managers of CIT visit the school at 3pm on certain days when there is no parking, cars all the way down the drive way and buses parking where they can get a space. It's chaos at times and some students walk down the drive to get to their cars. Some bus drivers are not as considerate as others.
