

The Garth School
PE and Sport Premium Funding Strategy 2020-2021

The PE and Sport Premium is additional funding from the government to provide additional funding for primary school sport provision. The money is to be spent on improving and enhancing the quality and opportunity in sports provision for all children in our school.

Through the spending of this money it is the intention of The Garth School to:

- Raise the standard of PE provision in the school through the development of professional skills of staff
- Increase the range and provision of sports opportunities within school
- Increase the range and provision of competitive sports opportunities – where appropriate
- Ensure the acquisition of resources to effectively deliver the extended provision

Sports Premium Funding:

2019-2020	Number of pupils = 57	Funding: £16,210
2020-2021	Number of pupils = 58	Anticipated Funding: £16,210

2020-2021 Action Plan			
What?	Why?	How much?	Impact
Provide enhanced trained adult support on the playground, during break times and lunchtimes.	Pupils will have access to high quality sports and physical activity opportunities during playtimes. Our pupils will be supported by experienced and highly skilled teaching assistants and teachers. Physical activity and supporting the development of our less ambulant pupils is a priority at The Garth and the playground and field offers rich and stimulating opportunities.	£6,605	

<p>Provide enhanced trained adult support within the class room setting. PE and other appropriate movement based learning experiences will form part of every pupil's timetable.</p>	<p>Maintaining core muscle strength (and in some cases, further developing muscle strength) is a priority for our less ambulant pupils and needs to be staffed effectively, with experienced and skilled members of staff trained in Moving and Handling. Our more able pupils will benefit from good quality Physical Education, delivered by experienced staff. These will focus on ball skills, simple team games and also provide pupils with an opportunity to encounter sports activities in a fun and engaging way.</p>	<p>£6,605</p>	
<p>The school's hydrotherapy pool will be maintained effectively and the pool's hoists will undergo regular checks.</p>	<p>Pupils benefit significantly from weekly access to the school's hydrotherapy pool to enable physiotherapy plans (for those pupils for whom it is appropriate) to be delivered in an alternative setting and for pupils to further develop their water confidence and water safety skills.</p>	<p>£3,000</p>	
<p>Total Spend: £16,210</p>
